PRESIDENT'S REPORT

Once again, I am delighted to welcome members to the forty-third Annual General meeting of The Australian Davis Cup Tennis Foundation and in doing so I present to you for consideration and adoption the Annual Report of the Foundation incorporating the audited financial statements as at 30 June 2014.

I write this report in a happy frame of mind as I have recently returned from attending the 2014 Wimbledon Championships. These Championships were 60 years after my first visit to the mecca of tennis in 1954. I was pleasantly surprised by the Chairman of Wimbledon Philip Brook recognising this fact and presenting me with a photo montage of myself playing in my heyday and meeting HRH Prince Charles upon one of his rare visits to the Club.

This occasion was an omen to a reasonably good Grand Slam for our Australian men players - in particular Nick Kyrgios. Having gained a wildcard by winning a Challenger at Nottingham the week before, Nick announced himself to world tennis by winning his first round match and then meeting seeded Frenchman Richard Gasquet on Show Court #2. Never in my memory has a match at Wimbledon been won from two sets to love down, 6/5 and love 40 on serve. Not only did Nick save those three match points but he saved another six match points before winning in the fifth set. But as they say "that's not all folks" as after defeating Jiri Vesely in four sets the young man from Canberra faced one of the all time greats Rafa Nadal vying for a place in the quarter final. History will now record a fighting win over Nadal 7/6 5/7 7/6(5) 6/3 to advance, before being defeated by Milos Raonic. This performance will hopefully translate to greater success in the up-coming Davis Cup competition.

On Friday 24 January, 2014 we conducted our annual Members' AO Luncheon in the Olympic Room at the Melbourne Cricket Ground and we continued to focus on a theme of celebration of significant Davis Cup victories. A gathering of 305 members and guests celebrated the 57th anniversary of the 1957 Davis Cup victory, played on the Centre Court at Kooyong before a sell-out crowd, when Australia defeated the United States 3/2.

Fred Stolle, 1965 French open singles and 1966 US open singles champion and now a noted Media personality was the MC and our special guests were the four team members in that tie.

Mal Anderson, Ashley Cooper, Mervyn Rose and I joined Fred Stolle on stage and the players entertained the guests with interesting commentary on the tie. Also in attendance was the legendary Frank Sedgman, Ken Rosewall, Rex Hartwig and Wally Masur. A number of guests from Tennis Australia representing the leaders in world tennis, including the Chairman of each of the four Grand Slam Tournaments - Wimbledon Philip Brook, United States David Haggarty, French Jean Gachassin, and Australian Steve Healy along with Chairpersons ITF Francesco Ricci Bitti and LTA Mrs. Cathy Sabin. We thank Steve Healy for arranging their attendance which is an indication of the esteem our prestigious function is held in tennis circles.

During the past financial year Australia participated in two away Davis Cup ties. On 13-15 September we travelled to Poland for the World Group Play-Off and were victorious 4/1.

As a consequence we were drawn to play France over 31 January – 2 February in France for a World Group First Round match and were defeated 5/0, resulting in a return to the World Group Play-Offs 2014

Nick Kyrgios and Thanasi Kokkinakis were introduced to Davis Cup competition, joining Lleyton Hewitt, Bernard, Tomic and Chris Guccione and it is expected they will form the basis of our next generation of Davis Cup players.

Our long-serving Honorary Secretary Graeme Cumbrae-Stewart continued to work with our office staff until he stood down from this role in May due to ill-health. Graeme's strength as Company Secretary was ensuring our corporate governance compliance. He has been replaced by Alan Cobb and it is expected the staff and all Directors will benefit from his knowledge and experience. We are indeed fortunate to have such dedicated administrative people supporting our objectives. Graeme remains on the Board as a Director.

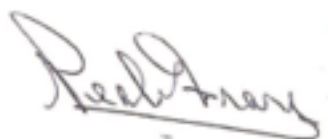

I am delighted to report our administration team continued their good work with Judy Pullyblank, supported by Robert Parker, contributing to the efficient service given to members. The Board also is appreciative of the support Judy receives from her husband Alan. Robert has been assisted in his role by our Honorary Treasurer Robert Jamieson who has brought his expertise to the Foundation as a financial and IT man, and together they have jointly improved communications to our members through our web site, eNews and Newsletter, resulting in considerable cost benefits.

Access to priority tennis ticketing for the Australian Open and the Australian Open Series events continues to be an important benefit to our members.

During the course of the year two of our long serving Directors retired. Ian Johnson, a 23 year member retired at the Annual Meeting in November after 14 years as a Director and in May this year Graeme Williams retired as Vice President after 8 years in that role, a total of 29 years as a Director and with membership spanning 37 years. I again thank these two gentlemen for their significant contribution to the Foundation over many years. In May Lauren Breadmore joined the Board to fill a casual vacancy and I look forward to her support for many years going forward.

Following our May Board meeting we held a small Valedictory Dinner at the Kooyong Lawn Tennis Club to acknowledge the contribution of retired Directors Brian Tobin, Des O'Brien, Ian Johnson and Graeme Williams.

Finally, I acknowledge the continuing support of all the Directors and I thank them for their on-going contribution and look forward to the continuing support of the various endeavours we undertake and the implementation of future plans complimentary to the objectives of the Foundation, as we move forward into what can perhaps be seen as a period of consolidation and a little change.

APIA INTERNATIONAL, SYDNEY 2014

Malcolm Bergmann, our Membership Officer in New South Wales, reported significant members' interest in the Apia International event, played in Sydney during early January, with an ever increasing number of applicants for the complimentary tickets which Tennis Australia has once again made available for the benefit of our Members who reside in this State.

BRISBANE INTERNATIONAL 2014

Once again, members living in Queensland have taken advantage of the "Priority Access" booking facility offered by Tennis Australia, by ordering their tickets for this event on-line through Ticketek, before they officially went on sale to the general public.

APPRECIATION

Our President, **Neale Fraser**, continues to provide inspirational leadership and it is appropriate that we should place on record our admiration of his dedication to tennis, particularly Davis Cup tennis and importantly in his role as Chairman of our Foundation. The attendance of former players at our AO Luncheon is an indication of the high esteem these players place in our President.

We also acknowledge the efforts of **Malcolm** and **Glenice Bergmann** who continue to work so assiduously to allocate and distribute approximately 600 complimentary tickets for access to the first or second days' play in the APIA International 2014.

We are grateful to **Ian Jane** for his continuing interest in the welfare and enjoyment of all who participate as a member of his much sought after touring parties that are especially tailored for Davis Cup ties being played overseas during the year in Poland and France, along with the preparatory arrangements for the September interstate Davis Cup tie in Perth.

FORMAT FOR DAVIS CUP

With 114 years of tradition behind it, the Davis Cup by BNP Paribas is the premier team competition in tennis. The symbol of this prestigious competition is the beautiful silver Davis Cup trophy, donated by Harvard student Dwight Filley Davis in 1900. It now consists of four pieces; the silver Trophy and three wooden bases (total weight over 200kg).

In the early years, only two nations competed for temporary ownership of the Davis Cup trophy, the United States and the British Isles. Before the first World War, France, Belgium Austria, Australasia, Germany and Canada had joined the USA and Britain in competing for the Davis Cup.

The Davis Cup is a recognised institution in tennis. It will be as influential in the 21st century game as it was instrumental in the growth of tennis from 1900 until the present day. The simplicity of its Nation vs. Nation format has provided a framework for one of the most successful competitions in sporting history.

From its inception, Davis Cup has attracted all of the top Australian players. Rafter, Hewitt, Philippoussis, the Woodies, Stoltenberg and Arthurs are all modern day members of a century old club whose legends include Sir Norman Brookes, Gerald Patterson, Jack Crawford, Frank Sedgman, Lew Hoad, Ashley Cooper, Neale Fraser, Rod Laver, Roy Emerson, John Newcombe, Pat Cash and Lleyton Hewitt, all winners of the greatest Grand Slam Event of them all – Wimbledon.

Each tie consists of five matches, four singles and one doubles, played over three days. On the opening day, the number two singles player for each nation plays the number one player for the opposing nation. On day two, the crucial doubles match is played. On the final day, the number one players face each other in the opening match while the number two players meet in the fifth match. All are played over best-of-five-sets with no tie break in the fifth set.

The pinnacle of the Davis Cup competition is the World Group. Sixteen nations are drawn against each other in a knock-out format leading up to the Davis Cup by BNP Paribas Final. Nations that have gone on to win the Davis Cup title include the United States, Australia, Great Britain, France, Sweden, Germany, Czech Republic, Italy, South Africa, Russia, Spain and Croatia. Each year's World Group competition is made up of four rounds, scheduled throughout the year, culminating in the Davis Cup Final played in late November/early December.

Below the World Group, there are three regional zones, the Euro/African, Americas and Asia/Oceania Zones, in which Group I, II, III, and IV ties are played. The goal is to move up group by group until the World Group and possibly the title is achieved.

The eight winners of Zonal Group I competition are drawn with the eight World Group first round losers in September's World Group Qualifying Round. Stakes are high as the winners will go on to compete in the World Group in the subsequent year. In the 2014 Davis Cup competition, 122 nations participated from Zonal Group IV through to the elite World Group.

Prize money was introduced to the Davis Cup competition for the first time in 1981, when the NEC Corporation joined the competition as its Title Sponsor. In 2002, BNP Paribas took over the Title Sponsorship. BNP Paribas is joined by three international Ancillary Sponsors – NH Hotels, Adecco and Wilson – in supporting the Davis Cup competition on a worldwide basis.

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 30TH JUNE, 2014

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001*. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

(a) REVENUE AND EXPENDITURE

Subscription income is brought to account on a cash basis. Revenue from grants and interest receivable is recognised on an accrual basis. Expenditure is brought to account on an accrual basis.

(b) INCOME TAX

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(c) PROPERTY, PLANT AND EQUIPMENT

Each class of property, plant and equipment is carried at cost or fair value as indicated, less, where applicable, accumulated depreciation and any impairment losses.

Depreciation

The depreciable amount of all fixed assets is depreciated on a straight-line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Office Equipment	30%

(d) CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of twelve months or less and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

(e) GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(f) ACCOUNTS PAYABLE AND OTHER PAYABLES

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid. The balance is recognised as a current liability.

(g) FINANCIAL ASSETS

On initial recognition financial assets are recognised at cost.

All financial assets are classified as financial assets at fair value through profit and loss and are held for trading and short term profit taking. Such assets are subsequently measured at fair value with changes in the carrying amount being included in the profit and loss.

NOTE 2: RELATED PARTY TRANSACTIONS

No transactions between related parties were conducted save for services provided by directors at no fee.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001.

Opinion
